**Amfasoft Approved as Registered Education Provider by  
Project Management Institute**

Fremont, CA, USA – 09/24/2014 – Amfasoft Corporation today announces that the Project Management Institute (PMI), the world's largest project management member association, has named it as a Registered Education Provider (R.E.P.) effective 09/24/2014. R.E.P.s are organizations that have been approved by PMI to help project managers achieve and maintain the Project Management Professional (PMP)<sup>®</sup>, Program Management Professional (PgMP)<sup>®</sup> and other PMI professional credentials. These organizations have met PMI's rigorous quality criteria for course content, instructor qualification, and instructional design.

Project managers are increasingly turning to R.E.P.s for certification training and maintenance, especially since median salaries for the profession now exceed \$100,000 (USD). Amfasoft aims to bring qualified faculty who have good working experience in software industries into contact with students who aspire to develop their skills and excel in their careers. A continuous evaluation of student progress, faculty performance and the tools and techniques needed for certifications or job placement helps us to constantly improve and provide a productive environment for all students.

"Amfasoft programs are designed to encourage success and develop lifelong learning patterns. Each training program has specific learning objectives and outcomes, contained in the course outline and syllabus that articulate the educational achievements to be accomplished."

Amfasoft Corporation joins more than 1,500 R.E.P.s in more than 80 countries. These organizations include commercial training providers, academic institutions, and corporate training departments within corporations and government agencies.

**About Amfasoft Corporation**

Amfasoft Corporation since formation in 1997 has been premier provider of education, consulting and implementation services in the Information Technology industry. Amfasoft Corporation is approved to operate by California Bureau for Private Postsecondary Education.

Amfasoft aims to provide the vocational courses working with industry experts and employers in the hi-tech information technology industry.
